END OF SALE

January 14th, 1969 is the tentative closing date for our next following sale. We can still use a few nice consignments for this sale and would need to have material on hand by December 1st.

We are planning a much larger sale to close in late February, which will probably be a combined Mail Bid and Public Auction, with the Public portion to be held in the Chicago area. We still have room for several consignments and again would need to have material by December 1st or perhaps a few days later. This sale will receive far greater coverage than usual and we plan to distribute 10,000 catalogs compared with the usual 2000.

Subsequent sales will probably close in early April, mid May, late June and mid Sept.
